Re: *In re W.R. Grace & Co., et al., Case No. 01-01139*

Dear Dan:

Grace is producing the enclosed documents (Bates G133283-133302) in response to requests 5 and 6 of Anderson Memorial Hospital's October 30, 2006 Amended Requests for Production. In its December 13, 2006 Responses and Objections, Grace agreed, subject to certain objections, to search for and produce, to the extent they exist, pre-bankruptcy non-privileged factual materials specifically relating to Anderson Memorial Hospital and responsive to these requests. As stated in its Responses and Objections, Grace does not concede the relevance of such documents to class certification. Grace is continuing to search for other documents that could be responsive to these requests. Please do not hesitate to contact me if you have any questions.

Sincerely,

Michael T. Dierkes
